

TRIBE-X MEMBERSHIP AGREEMENT

TRIBE-X

Tribe-X is an exclusive business program designed to build high-level relationships between Utah's top business leaders.

TRIBE-X RETREATS

Tribe-X Retreats are the pinnacle of the TribeHouse experience. These remarkable, multi-day events are held at Utah's finest resorts and will help you grow your business by deeply connecting you with the other business leaders in attendance. During these powerful experiences, we facilitate the time and space necessary to take the long view on your life and business. Attendees benefit from the collective ideas, resources and networks within the group and experience the transformative power of a fully-integrated tribe.

INTAKE SESSION AND FIRETRIBES APP

You will receive an intake session designed to help architect a vision for areas of growth in your personal and professional life. Our powerful proprietary app will continue to guide you in reviewing and realizing specifics in your area of vision.

FIRETRIBE MEETINGS

After the intake process, members are assigned to their specific FireTribe, a small accountability team of Utah executives that meets monthly and rotates four times per year. This is where the real work begins as members take turns diving deep into their individual goals. The ideas, resources and relationships that are forged during this program are nothing short of remarkable. FireTribe Meetings will quickly become a priority for you and your business as you begin to see, and feel, the direct impact these events are having on your business - and your life.

MASTERS TRAININGS

The entire Tribe-X membership will gather 10 times a year as a group for Masters Trainings at the TribeHouse. Here you will receive high level executive coaching on the principles and practices that will turn your vision into a reality. These connecting events allow all Tribe-X members to discuss the roadblocks and breakthroughs that they have experienced as they have worked toward their goals. These facilitated opportunities to connect with each other in meaningful and effective ways build a vibrant community of trust between members.

FORGE MEMBERSHIP

Sometimes you need to leave the office to think outside the box. Other times, you just need to escape to get stuff done. As a Tribe-X member, you have exclusive access to the Forge Executive Lounge at the TribeHouse, a work location designed to help our members escape the noise and distractions of their normal work life and connect with the people and opportunities that surround them.

The Forge is open daily from 8 AM to 5 PM (excluding major holidays). Tribe-X members may have guests accompany them to the Forge facilities. Wifi, drinks and snacks and a business center are available to you and your guests.
