## TRAVEL & EVENTS TRIBE

TRAVEL & EVENTS TRIBE is an exclusive business program designed to build high-level relationships between Utah's top business leaders, top business

## INTAKE SESSION AND FIRETRIBES APP

The process begins with an intake session designed to help each member architect areas for growth for your personal and professional life. Our powerful proprietary app will guide you in reviewing and realizing specifics in these areas.

## FIRETRIBE MEETINGS

After the intake process, members are assigned to their specific FireTribe, a small accountability team of Utah executives that meets monthly and rotates four times per year. This is where the real work begins as members take turns diving deep into their individual goals. The ideas, resources and relationships that are forged during this program are nothing short of remarkable. FireTribe Meetings will quickly become a priority for you and your business as you begin to see, and feel, the direct impact these events are having on your business - and your life.

## MASTERS TRAININGS

The entire membership will gather 10 times a year as a group for Masters Trainings. Here you will receive high level executive coaching on the principles and practices that will turn your vision into a reality. These connecting events allow all members to discuss the roadblocks and breakthroughs that they have experienced as they have worked toward their goals. These facilitated opportunities to connect with each other in meaningful and effective ways to build a vibrant community of trust between members.

## FORGE MEMBERSHIP

Sometimes you need to leave the office to think outside of the box. Other times, you just need to escape to get stuff done. As a Travel & Events Tribe member, you have exclusive access to the Forge Executive Lounge, a work retreat designed to help our members escape the noise and distractions of their normal work life and connect with the people and opportunities that surround them.
