## RETREAT

The entire membership will gather once per year for a Retreat. This elegant two-day, two-night retreat will be held at one of Utah's most prestigious resorts and is designed to help our members build deep, powerful relationships with one another. At Travel & Events Tribe Retreats, members will have the opportunity to build more relationship capital in two days than most people build in two years. These powerful retreats have the power to transform your life and business.

## NETWORKING EVENTS

The entire membership will also gather four times per year for Travel & Events Tribe Networking Events. At these relaxed events, our members receive training on the principles and practices that will turn their visions into a reality. These connecting events also allow members to discuss their roadblocks and breakthroughs while they collectively work toward their business goals. These facilitated opportunities to connect help build a vibrant and aligned community of trust.

## FORGE MEMBERSHIP

Sometimes you need to leave the office to think outside of the box. Other times, you just need to escape to get stuff done. As a Travel & Events Tribe member, you have access to the Forge Executive Lounge, a workspace designed to help our members escape the noise and distractions of their normal work life.

The Forge is open daily from 8 AM to 5 PM daily (excluding major holidays).
